

## **Dramafest Audition Schedule & Notes**

- Dramafest Auditions will take place THIS TUESDAY and WEDNESDAY, January 14th-15th in the Auditorium between 2:45pm - 4:15pm.
- These auditions will be CLOSED auditions. Only the directors will be allowed to watch.
- Please wait in the hallway outside the auditorium until you are called in to audition.
- Please be ready to audition 10 min before your time slot.
- We will do our best to stick to this schedule, but auditions may move more quickly or get slightly behind; so please be flexible and ready to audition whenever asked.
- Remember you should be performing one monologue (between 1-2 minutes long). When you come on stage, please introduce yourself to the directors, introduce your monologue, and then perform your monologue. It is also good practice to thank your directors before you leave the stage.
- A list of who is being called back on Thursday will be e-mailed out to the e-mail you gave us and posted on the drama website (where you signed up for Dramafest Auditions) Wednesday evening by 8:00pm.
- Call backs will occur between 2:45-4:15pm on Thursday afternoon. Not everyone who auditions will be called back, and some people may be called back by more than one director. This is not an indicator as to whether you will be cast or not- it is simply an opportunity for a director to ask further questions of an actor or actress if needed. We are actually encouraging directors to ONLY call back actors and actresses whom they absolutely need to see or talk to again. Call backs will be a personal meeting with each director who will be located in various areas (choir room, auditorium, practice rooms, etc) and won't take more than 5 minutes per director. There will not be an official schedule for call backs. You will just be expected to visit with each director that has called you back.
- We have not made an official decision at this point about whether there will be any cuts for Dramafest this year. We will be looking at schedules and doing our best to include as many actors/actresses as possible.
- If you have any questions or concerns please e-mail Mrs. Isaacs at [franzwah@svsd410.org](mailto:franzwah@svsd410.org)
